

Transition Advisory Committee Survey Responses

1/11/24

The Transition Advisory Committee (TAC) Survey gathers feedback from non-TAC members to understand experiences of TAC meetings and general feedback. A summary of survey responses from 1/9-1/11/24 is included below.

Demographics of participating respondents

Up to this point, the survey has **five** responses with the following demographic breakdown:

- 100% are in Cook county and surrounding suburbs

Current racial breakdown includes:

- 40% Hispanic / Latinx
- 40% Caucasian / White
- 20% African American / Black

TAC meeting takeaways

Survey respondents continue to share their **appreciation** for being a part of the TAC and look forward to the journey.

General feedback

Survey respondents **also shared** that they:

- would appreciate making time for breakout groups because it is a more equitable practice and will encourage people who don't feel comfortable speaking in bigger groups to participate.
- would like to outline what the known deliverables of the new agency is responsible for, the ways things currently work, what hasn't worked well, and what has worked well.
- would like zoom phone numbers to be provided for upcoming TAC meetings.
- would like the agenda for upcoming meetings as soon as possible so TAC members can talk with other stakeholders and provide input on their behalf.
- would like to invite other groups of stakeholders to participate, specifically:
 - Montessori community members
 - city planners and managers of public lands
 - a panel discussion with providers only
