

Transition Advisory Committee Survey Responses

3/6/24

The Transition Advisory Committee (TAC) Survey gathers feedback from non-TAC members to understand experiences of TAC meetings and general feedback. A summary of survey responses from 1/19-2/27/24 is included below.

Demographics of participating respondents

Feedback after meeting three consisted of **five** responses with the following demographic breakdown:

- 40% are in Cook county
- 40% are in Saint Clair county
- 20% are in Peoria county

Current racial breakdown includes:

- 60% African American / Black
- 20% Asian / Pacific Islander
- 20% Caucasian / White

TAC meeting takeaways

Survey respondents continue to be encouraged with the conversation and progress the committee is making and appreciate the presenters and the variety of lenses for the work being done.

General feedback

Survey respondents **also shared** that they:

- would like the recordings to meetings.
- want to get to know the TAC members.
- would like to know how the representative for each group is getting information about what people in their group want or need from the agency.
