89	What priorities would you like the state to focus on to manage change effectively throughout the transition?	Inclusion and LRE Services	I am worried that if the 619 Coordinator and program is left at ISBE, ECE inclusion and working with LEAs will never achieve a real Least Restrictive Environment for children with IEPs. 92	What priorities would you like the state to focus on to manage change effectively throughout the transition?	Head Start State Collaboration Office	Recommend the HS State Collaboration Office have a "DHS Bureau Level" position in the new state agency since this could be a main link between HS/EHS and other EC programs at the new state agency. That position is currently buried at DHS-DEC now. The position could manage the Migrant-Seasonal HS grant also.	Anonymous	2024-03-15 17:54:04 UTC	2024-03-15 17:54:24 UTC	1
